Nestled in the Aravalli Hills of Rajasthan, Udaipur is often referred to as the "**City of Lakes**" due to its picturesque lakes that reflect the grandeur of its royal history. Known for its breathtaking beauty, Udaipur is a perfect blend of culture, history, and natural splendor.

The city is famous for its stunning lakes, including Lake Pichola, Fatehsagar Lake, and Swaroop Sagar, which provide a serene ambiance and picturesque views of the surrounding hills and palaces. These tranquil waters have made Udaipur a popular destination for tourists seeking romance and tranquility.

The city's vibrant culture, reflected in its festivals, folk music, dance, and arts, adds to its charm. Udaipur's traditional handicrafts, such as miniature paintings, pottery, and silver jewelry, are celebrated worldwide.

Udaipur's history is deeply intertwined with its royal heritage, reflected in its grand palaces, forts, and temples. The City Palace, perched above Lake Pichola, is a magnificent blend of Rajasthani and Mughal architectural styles. The tranquil Jag Mandir, located on an island in the lake, and the Monsoon Palace offer panoramic views of the city and its surroundings.

ABOUT IPCA

Indian Paint and Coating Association (IPCA) is an amalgam of paint, ink and powder coating manufacturers, raw material manufacturers and traders, machinery manufacturers and allied industries. It has a pan-India presence with active regions in New Delhi-NCR, Haryana, Western UP- Ghaziabad, Eastern UP Agra, Madhya Pradesh and Chhattisgarh, Maharashtra, Gujarat, Telangana & Andhra Pradesh, Central UP- Lucknow-Kanpur, Kerala and Rajasthan. It has a strength of around 2000 members and growing.

Indian Paint and Coating Association is one of the young and dynamic associations, which represents both the organized and unorganized sector in the paint and coating industry. In 2003, in an attempt to improve communication and to coordinate industry policy on matters of national and international concern, the Indian Paint and Coating Association was formed.

Over the last several years, common issues facing the paint and coating industries have increased significantly. While it is always a constant challenge for each individual association to manage the myriad of domestic regulations, it has become increasingly difficult to interpret the potential impact of foreign issues. Thus IPCA is endeavouring to help out the people across the Indian Paint and Coating Industry in making businesses better and more profitable. It is also its bounden goal to encourage brotherhood amongst the coating fraternity.

IPCA has been in the fore-front of organising path-breaking events benefiting the paint and coating industry. Along with Technical Seminars, Regional Residential Conferences and Mega Biennials at Agra (2005), Kathmandu (2007), Jaipur (2009), Bangkok (2011), Amritsar (2013), Goa (2015), Jaipur (2017), Chandigarh (2019), Delhi (2021), Agra (2023). IPCA has also organized technical workshops with Certificate courses in Coating Technology cooperating with IIT-Delhi, MSME, Government of India and IICT-Hyderabad. IPCA often acts as a bridge between the academia, manufacturers, and corporates to impart knowledge through Training Sessions and problem solving. This kind of core technical input from an industry body has catapulted IPCA into a different league altogether.

The experience and wisdom of the wise and experienced needs to be shared and not hoarded. IPCA's goal of serving the members and facilitating disbursement of wisdom and knowledge in unison resulted in the creation of the series of seminars aptly named "Knowledge Sharing Seminars" (KSS). Our regional bodies regularly organize these KSS wherein topics are chosen on the basis of feedback we receive from the regional members or our perception of need of audience or for that matter, an important and relevant breakthrough in technology or new laws being enacted.

IPCA actively liaisons with the Government for favourable policies for its members and the Coating Industry. It is suitably represented on various committees like GST, MSME, BIS etc. It gives regular proposals during the Budget making exercises of the Central Govt. in New Delhi.
